OPEN ONGOING RECRUITMENT: YOU COULD BE A PART OF SOMETHING INCREDIBLE

Would you like to experience a firm that encourages its young engineers to take lead roles on major projects early in their career? Are you interested in the opportunity to be mentored by senior engineers and visit construction site to see projects being brought to life?

BuroHappold Engineering is looking for an ambitious student to come and join our **Warsaw Civil/Structural** team. The successful candidate will gain hands-on experience, working on a diverse range of live projects across Europe.

THE KEY REQUIREMENTS ARE:

- Bachelor degree (inz.) in **Civil/Structural Engineering**
- Working toward Master degree (mgr inz.) in **Civil/Structural Engineering**
- Good English skills,
- German would be an advantage,
- Knowledge of Auto CAD and other relevant structural software, knowledge of Revit would be an advantage, knowledge of Robot Structural Analysis would be an advantage,
- Good communication skills

Please apply in English via Buro Happold website www.burohappold.com or e-mail your application to joanna.solecka@burohappold.com

Please add the following statements to your application:

"I hereby agree processing the following personal data by Buro Happold Polska Sp. z o.o., with headquarters in Warsaw, 00-105, ul. Twarda 18 contained in this document for the recruitment process in accordance with the Act of 10 May 2018 on personal data protection (Journal of Laws of 2018, item 1000) and in accordance with the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and the repeal of Directive 95/46 / EC (RODO). I hereby agree processing the following personal data by Buro Happold Ltd with the registered office of Camden Mill, 230 Lower Bristol Road, Bath BA2 3DQ, Great Britain, included in my offer for the recruitment process in accordance with the Act of 10 May 2018 on personal data protection (Journal of Laws of 2018, item 1000) and in accordance with the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repeal of the Directive 95/46 / WE (RODO).
