Civil Engineering

semester I

First degree course

a.y. 2025/2026

DAY	Group Hours	1	2	3
MONDAY	8.15 9.00			
	9.15 10.00	Surveying r.628		
	10.15 11.00	Surveying r.628		
	11.15 12.00		Surveying r.628	
	12.15 13.00	Information Technologies r. 20		Surveying r.628
	13.15 14.00			
	14.15 15.00			
	15.15 16.00			
	16.15 17.00			
	17.15 18.00			
	18.15 19.00			
	19.15 20.00	Building Chemistry ** the first lab classes 03.11.2025 r. 527		
TUESDAY	8.15 9.00	Descriptive Geometry r.201		
	9.15 10.00	Theoretical Mechanics 1 r. 209 5h tutorials		
	10.15 11.00	Theoretical Mechanics 1 r. 209 15h project		Information Technologies
	11.15 12.00		Theoretical Mechanics 1 r. 209 15h project	r. 19a
	12.15 13.00	Algebra with Geometry		
	13.15 14.00	r. 301		
	14.15 15.00	Technical Drawing r. 309	Technical Drawing r. 309	Calculus I r. 335
	15.15 16.00			
	16.15 17.00	Introduction to Civil Engineering 25 h r. 401		
	17.15 18.00			
	18.15 19.00			
	19.15 20.00			
WEDNESDAY	8.15 9.00	Descriptive Geometry r.335		Algebra with Geometry
	9.15 10.00		Descriptive Geometry r.335	r. 636
	10.15 11.00	Algebra with Geometry r. 636		Descriptive Geometry r.335
	11.15 12.00			
	12.15 13.00	Building Chemistry		
	13.15 14.00	r. 335		
	14.15 15.00	Surveying s. 237		
	15.15 16.00			
	16.15 17.00	Technical Drawing r. 309		
17.15 18.00	Study Guide - practical aspects of studying, 8th of October 2025 17:15 - 18, one time classes			
THURSDAY	8.15 9.00	Theoretical Mechanics 1 10h Lect		
	9.15 10.00	r. 335		
	10.15 11.00	Calculus I		
	11.15 12.00	r. 335		
	12.15 13.00	Calculus I r. 335		
	13.15 14.00			
	14.15 15.00	Building Chemistry * the first lab classes 30.10.2025 r. 527	Building Chemistry * the first lab classes 30.10.2025 r. 527	
	15.15 16.00			
	16.15 17.00			
	17.15 18.00			
	18.15 19.00			
	19.15 20.00			
FRIDAY	8.15 9.00	HC - Decision Making and Negotiation Theory r. 201		
	9.15 10.00	from 2nd to 9th week of the semester from 10th of the October		
	10.15 11.00	***Leon Tutorial	***Leon Tutorial	Theoretical Mechanics 1 r. 209
	11.15 12.00	***Leon Tutorial	***Leon Tutorial	5h tut. i 15 h project
	12.15 13.00	Applied Physics/Modern Physics (30h) r. 201		
	13.15 14.00			
	14.15 15.00			
	15.15 16.00	***Leon Tutorial		
	16.15 17.00	***Leon Tutorial		
	17.15 18.00			

the timetable may be subject to change

Obligatory, one-off classes:

1) Health & Safety Training - online course

Every student is obliged to take part in Health & Safety training.

It is absolutely obligatory! Students without passed Health & Safety training are not allowed to take part in the laboratory classes and exercises.

* Building Chemistry at 4th of December in room 305; one time only

** Building Chemistry at 1st of December 25' in room 20; one time only

*** Leon Tutorial 2h one time classes; date to be confirmed
