

# TIMETABLE

Civil Engineering

semester III

Second degree course

2025/2026

| DAY       | Group<br>Hours | CES                                                                       |
|-----------|----------------|---------------------------------------------------------------------------|
| MONDAY    | 8.15 9.00      |                                                                           |
|           | 9.15 10.00     |                                                                           |
|           | 10.15 11.00    |                                                                           |
|           | 11.15 12.00    |                                                                           |
|           | 12.15 13.00    |                                                                           |
|           | 13.15 14.00    |                                                                           |
|           | 14.15 15.00    |                                                                           |
|           | 15.15 16.00    |                                                                           |
|           | 16.15 17.00    |                                                                           |
|           | 17.15 18.00    |                                                                           |
|           | 18.15 19.00    |                                                                           |
|           | 19.15 20.00    |                                                                           |
| TUESDAY   | 8.15 9.00      |                                                                           |
|           | 9.15 10.00     |                                                                           |
|           | 10.15 11.00    |                                                                           |
|           | 11.15 12.00    |                                                                           |
|           | 12.15 13.00    |                                                                           |
|           | 13.15 14.00    |                                                                           |
|           | 14.15 15.00    |                                                                           |
|           | 15.15 16.00    |                                                                           |
|           | 16.15 17.00    |                                                                           |
|           | 17.15 18.00    |                                                                           |
|           | 18.15 19.00    |                                                                           |
|           | 19.15 20.00    |                                                                           |
| WEDNESDAY | 8.15 9.00      |                                                                           |
|           | 9.15 10.00     |                                                                           |
|           | 10.15 11.00    |                                                                           |
|           | 11.15 12.00    |                                                                           |
|           | 12.15 13.00    | Computer-Aided Design of Structures<br>r. 21                              |
|           | 13.15 14.00    |                                                                           |
|           | 14.15 15.00    |                                                                           |
|           | 15.15 16.00    | Design methodology of construction processes                              |
|           | 16.15 17.00    |                                                                           |
|           | 17.15 18.00    | r. 21                                                                     |
|           | 18.15 19.00    |                                                                           |
|           | 19.15 20.00    |                                                                           |
| THURSDAY  | 8.15 9.00      | Humanity Courses - Decision Making and Negotiation Theory (15h)<br>r. 229 |
|           | 9.15 10.00     |                                                                           |
|           | 10.15 11.00    | Diploma Seminar<br>s. 229                                                 |
|           | 11.15 12.00    |                                                                           |
|           | 12.15 13.00    | Industrial Metal Construction                                             |
|           | 13.15 14.00    |                                                                           |
|           | 14.15 15.00    | r. 229                                                                    |
|           | 15.15 16.00    |                                                                           |
|           | 16.15 17.00    |                                                                           |
|           | 17.15 18.00    |                                                                           |
|           | 18.15 19.00    |                                                                           |
|           | 19.15 20.00    |                                                                           |
| FRIDAY    | 8.15 9.00      |                                                                           |
|           | 9.15 10.00     |                                                                           |
|           | 10.15 11.00    |                                                                           |
|           | 11.15 12.00    |                                                                           |
|           | 12.15 13.00    |                                                                           |
|           | 13.15 14.00    |                                                                           |
|           | 14.15 15.00    |                                                                           |
|           | 15.15 16.00    |                                                                           |
|           | 16.15 17.00    |                                                                           |
|           | 17.15 18.00    |                                                                           |
|           | 18.15 19.00    |                                                                           |
|           | 19.15 20.00    |                                                                           |
